

WELCOME TO LAX PLUS 2019

We are excited to be sharing our 2019 Calendar and program information with all of you. We have a lot of information to provide, so please take the time to read through it carefully.

WHAT'S NEW IN 2019!

Annual Membership:

Players will now have the opportunity to commit to the full 2019 Calendar year at a discounted price. Details to follow under the HS and Youth Club Programs.

New Location:

Due to construction at Springfield, our main location for the 2019 Calendar year will be Sportsworld in East Windsor, CT. This should be more centrally located for everyone. The only adjustment is due to no lights, High School summer practices will be 4:00-6:00 pm, and Youth 6:00-8:00pm. We have not decided which slot the 2023s (incoming 9th graders for Fall 2019) will be practicing, and there may be a few occasions where we use an alternate location.

New Websites:

Our two new websites are planned to launch in the upcoming months, and we cannot wait to share them with you. During this transition time we will be moving our families over to the new system by having you set up your new account, and start completing registrations on the new sites. All registrations are finally fully compatible with smart devices!

Payment Plans:

During each registration choose to pay in full up-front or sign up for our seem-less monthly payment plan (hassle free and automatic).

SportsRecruits:

After a trial run with the SportsRecruits software this fall, we are planning to launch an annual membership with *all high school players 2020-2022s*.

SportsRecruits Highlights Include:

- Access to all college coaches with the most updated contact information at your fingertips
- Build your list of schools using the SportsRecruits search engine
- Never get lost in the process...our recruiting coordinators are able to track your progress every step of the way
- Set up a player profile and showcase your talents with unlimited video uploading

CHANGES TO SUMMER PROGRAM:

You may notice a few new tournaments this year. We are sad to announce the Crimson Summer Splash at Harvard University in Cambridge, MA, which has long been one of our favorite tournaments will no longer be running there. This year only our 23s (current 8th grade players) will attend their new location in Lancaster, MA, and instead our 24-2027s (current 7th-4th) will attend the Heart and Hustle Tournament. With that said we have a great lineup of summer tournaments for all teams!

FALL PROGRAM:

The fall program is structured to accommodate the Youth Fall Sports Schedules. This allows our player to continue to take advantage of multiple sports, while keeping a lacrosse stick in their hands during the fall. This is also an important time for further development of our club teams as our players prepare for their next spring season. The youngest grades will focus more on 7v7 tournaments, whereas the 7th/8th grade programs will include both 7v7 and 12v12.

Note: There could be a few adjustments as tournaments are solidifying their facility rentals.

NO YOUTH SPRING LACROSSE LEAGUE:

We have always enjoyed participating in the Spring New England Club Lacrosse League over the years. However as time has gone on and the league has continued to undergo changes in structure, we have found it increasingly challenging for our families to make the travel and time commitment to the league. The town programs have also evolved with more tournaments and jamborees of their own. As a result we have decided we feel it is best for our players, coaches, and families to take the spring to focus on their town recreation teams.
