

## 2020 FALL PROGRAM

As schools and sports programs are continuing to open this Fall we are excited to announce that we will in fact be running our fall season as usual.

### **Fall Season (5th-12th Grade for 2020-21 School Year):**

*Fall Season (September 13th- November 8th):* Our philosophy still holds strong that players should play multiple sports in this ever evolving sports recreation world. The fall program is structured to accommodate the Youth and High School Fall Sports Schedules with typically one lacrosse event per week. Practices are 1.5 hrs on Sunday afternoons. All tournaments are one-day with high school tournaments on Sundays only.

### **Developmental Program (3rd-4th Grade Players):**

*3rd/4th Grade Program:* This is an introductory club program that involves a series of 1.5 hour practices and typically two 7v7 tournaments per season. There are no tryouts for this program, but previous town lacrosse playing experience is expected.

### **Annual Membership (Register by Sunday August 30th):**

Club players who participated in the Summer Season have the opportunity to receive \$100 off of their fall season. Just enter the program discount codes below on the Fall Registration (Youth Fall: YSUM100 / HS Fall: HSSUM100). The registration deadline to receive the discount is **August 30th**.

### **Sibling Discount:**

We also provide a 5% sibling discount on the second (+) sibling registered for a given lacrosse season. This can only be applied to players who are not already using another discount code for that season (ex. Goalie, double season discount).

### **Goalie Discount:**

Goalies pay a reduced fee per season using Discount Code: GK\*50. We encourage all goalies to take advantage of our 1 on 1 goalie training that coincides with our Lax Plus season. Information for goalie training will be released prior to the start of each season.

### **Payment Plans:**

During each registration families can choose to pay in full up-front or sign up for our seem-less monthly payment plan that divides your fees over the course of the year (hassle free and automatic).

### **SportsRecruits Recruiting Software Account for all HS Players:**

*All HS players will have a SR profile set up under our program. SR Highlights include:*

- Access to all college coaches with the most updated contact information at your fingertips
- Building your list of schools using the SportsRecruits search engine
- Never getting lost in the process...our recruiting coordinators are able to track your progress every step of the way
- Setting up a player profile and showcase your talents with unlimited video uploading
